

# Science from Scientists' Scientist-Teacher Partnership Program: *A free\* unique PD Opportunity!*

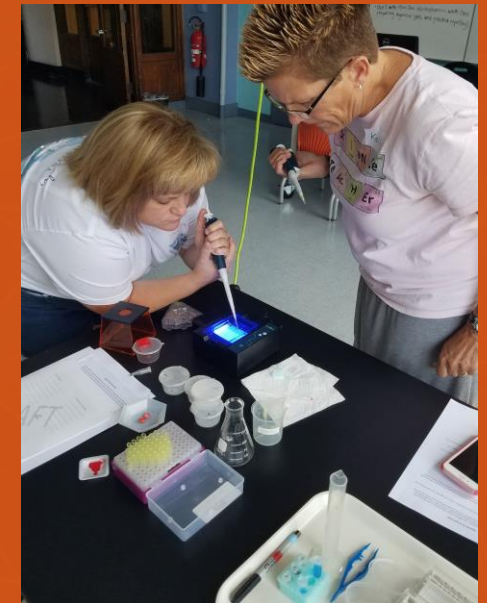

Have you ever wondered what it would be like to have Science from Scientists' lessons, and materials available anytime in your own classroom?

Join us for our 5-day professional development course as part of our Scientist-Teacher Partnership program! We will give you our materials and lend out our fully stocked lesson kits so that you can learn how to lead our modules!

## Testimonials

*"This week was great! It was stimulating, engaging, and completely connected to what I will begin to do in my own teaching."* - Teacher in the 2017 STP Summer Pilot

*"I really like coming to this workshop - I feel like no matter what teaching level you are at, you can still get something out of this class."* -Teacher in the 2017-18 STP Program

\* If you wish to receive graduate credits for this program through Endicott College, there is an associated cost. Email [Cortney@sciencefromscientists.org](mailto:Cortney@sciencefromscientists.org) for more information.
